

Houses of Worship

Mandatory Procedures to be Followed

Congressional Space & Service
 Guidelines

- **Stagger service times** to ensure social distancing
- Attendees shall **wear masks** during service and refrain from **physical contact**
- Establish and enforce **maximum occupancy limits** during services
- Signage to encourage attendees and staff to wash hands throughout the day
- **Following service provide spacing** with a minimum of 6' distance between individuals congregating
- **Following service sanitize all high touch areas** including light switches, door handles, sinks, sink handles and countertops with a sanitizer that is EPA approved for COVID-19 and in accordance with application requirements as per label
- **Remove all self-serve items**; distribution of communion should be from individual/disposable containers

Guidelines

- **Stay home** if you are sick/have symptoms of COVID-19
- **Post signage** at entry to building prohibiting entry for ill individuals and specifying the symptoms of COVID-19 as established by the CDC
- **Screen all individuals** for symptoms of COVID-19 every day prior to entering
- Encourage **vulnerable populations to stay at home** and participate in virtual services
- Ensure **6 ft. social distance** before, during, in between services until COVID-19 social distancing requirements are lifted by the Governor
- Develop a procedure for **isolation for ill attendees** and staff
- Provide **PPE for staff and cleaning staff** to include face masks and gloves
