**AN OLD COVID  
VACCINE IS LIKE...**

**OUTDATED  
TECHNOLOGY.**

# GET UPDATED.

## AM I ELEGIBLE?

- Must be 6 months or older.
- Received last COVID vaccine before October 2023
- or have never been vaccinated against COVID.

## ARE COVID SHOTS STILL FREE?

- If you are insured: COVID vaccines are at no cost to you. Visit [vaccines.gov](https://www.vaccines.gov) to find a location.
- If you are uninsured, you can access low-cost or free shots by:
  - Finding “Bridge Access Program” locations on [vaccines.gov](https://www.vaccines.gov)
  - Visiting Northern Nevada Public Health
    - 1001 E. Ninth St., Bldg. B, Reno
    - Call 775-328-2402.

NORTHERN NEVADA

# Public Health

*Serving Reno, Sparks & Washoe County*

## WHY SHOULD I GET THE UPDATED COVID VACCINE?

Just like you update your phone, computer, and apps to enhance protection and improve features, you should also update your COVID vaccine for the same reasons.
